

## ENROLLMENT FAQ SHEET

**Q: When may I pay my enrollment deposit?**

A: You may pay your deposit only after you have met with the financial advisor.

**Q: What paperwork do I need to complete to enroll?**

A: All the forms and information on the required documents sheet.

**Q: Do I need to have a high school diploma or G.E.D.?**

A: Yes, especially if you are interested in applying for financial aid, you will need a high school diploma, or G.E.D.

**Q: I do not live with my parents, am I still a dependant?**

A: If you are under the age of 24, not married, have no children of your own, are not in the armed forces, and are not an orphan, you are considered a dependant regardless of whether or not your parents claim you on their taxes. If you are not sure of your dependency status fill out Step 3 in the FASFA form. If you answer NO to the questions in that section and it tells you to go to Step 4 you are a dependant. We will then need your parent's tax information to complete the financial aid process.

**Q: What if I do not have a copy of my social security card or diploma?**

A: You cannot meet with the financial advisor until you bring in all required documents. You will need to apply for a new social security card at the social security administrative office. If you have lost your high school diploma you will need to bring in an official high school transcript in the original sealed envelope. Faxed or open transcripts will not be accepted.

**Q: How quickly do classes fill up?**

A: There is no way for Le Melange Academy to determine how quickly the classes are going to be filled. The best way to ensure that you will get into the class that you want is to get all required paperwork in quickly. There is never a guarantee that anyone will get into a class until they have gone through the entire enrollment process and paid their deposit.

**Q: How do I know what classes are available?**

A: A Le Melange Academy representative will provide you with a list of the available classes during your admissions appointment. We do not call to inform anyone when a class fills; you must contact the admissions office directly to inquire about availability.

**Q: Do I need a co-signer?**

A: Co-signers are not required for your student loans. If your credit is questionable, a co-signer may be required. There is a \$20 fee for every credit report ran for potential co-signers. Ask your financial advisor if you have further questions.
